

## Plantation Field Horse Trials Announces the 2017 \$6,000 Thoroughbred Competition Series

Plantation Field Equestrian Events, Inc (PFEE) is excited to announce that we will once again be having a thoroughbred recognition series during the 2017 Competition year. Points will be awarded to horses in the Beginner Novice, Novice, and Training Divisions at all PFEE Recognized and Starter Horse Trials. The OWNER of the winning horse will receive a \$5,000 award. Additionally, \$1000 will be awarded to the Breeder of the winning horse.

President and founder of PFEE Denis Glaccum, in making this announcement, stated “we are able to conduct this series due to a very generous donation from Kathleen Crompton, a long time TB owner and enthusiastic supporter of Plantation Field Equestrian Events. Kathleen strongly believes in the TB for the sport of eventing and hopes her contribution will encourage others to develop the TB for this sport. We are pleased to be able to offer this significant award. We hope that not only competitors but breeders will recognize opportunities for thoroughbreds as an alternative to racing and as a second career after the horses’ racing careers are over. Competitors in recent years have been importing horses at a record level for eventing and we feel that the thoroughbred is ideally suited for this sport. We hope this series will grow in future years and possibly become a national series.”

The one thousand dollar (\$1000) award given to the breeder of the winning TB is sponsored by the Pennsylvania Horse Breeders Association and Mr. Denis Glaccum. In providing this modest award we are attempting to develop a linkage between all thoroughbred breeders and the sport of eventing.

All thoroughbreds with a jockey club registration, a tattoo or an affidavit certifying his parentage from the breeder will be allowed. Horses will only be allowed to compete in one Plantation Competition during a weekend. Additional considerations may apply.

Competitors and Owners must identify their horse as a thoroughbred eligible for this series when making their entry. When possible all eligible TB’s will be placed in the same division.
