

## **FOR IMMEDIATE RELEASE**

### **Plantation Field Equestrian Events Inc. Announces \$5,000 Thoroughbred Competition Series**

*Prize money to be awarded to top finishing Thoroughbred*

Unionville, Pennsylvania -- 23 February, 2015 -- Plantation Field Equestrian Events Inc. (PFEE) is excited to announce that we will be offering a Thoroughbred recognition series during the 2015 competition year.

Points will be awarded to horses in the Beginner Novice, Novice and Training divisions at all PFEE recognized and starter trials. The total prize money of \$5,000 will go to the owner of the top-placing Thoroughbred horse, and a \$500 bonus will be awarded to the breeder of the horse.

In making this announcement, president and founder of PFEE Denis Glaccum stated, "We are able to conduct this series thanks to a very generous donation from Kathleen Crompton, a longtime Thoroughbred owner and enthusiastic supporter of Plantation Field Equestrian Events.

"Kathleen strongly believes in the Thoroughbred for the sport of eventing and hopes her contribution will encourage others to develop the Thoroughbred for this sport.

"We are thrilled to be able to offer this significant award, and we hope that not only competitors but breeders will recognize eventing as an alternative opportunity to racing Thoroughbreds, and as a second career after horses' racing careers are over.

"Eventers in recent years have been importing horses at a record level, and we feel that the Thoroughbred is ideally suited for this sport."

The goal is for the series to grow over time and possibly become a national series.

The competition is open to all Thoroughbred horses with a Jockey Club registration, a tattoo or an affidavit certifying parentage from the breeder.

Horses will only be allowed to compete in one Plantation Field competition during a given weekend. Additional considerations may apply. Competitors and owners should identify their Thoroughbred when making their entry.

More information, including the 2015 Plantation Field schedule of events, is available at [www.plantationfieldhorsetrials.com](http://www.plantationfieldhorsetrials.com).
